## To My Patrons

I N compiling this list of *Decorative Foliage and Flowering Plants*, a selection of the most decorative and interesting species and varieties for the plant lover was made.

Their adaptability to thrive and meet the conditions of general private greenhouses or conservatories has also been carefully considered.

I have available, other rare greenhouse plants in limited quantities and would be pleased to receive your inquiries for your requirements.

Assuring my customers of the same high standard of quality which has recommended their past patronage.

Thanking you for past favors, and trusting to have a continuance of same.

EDWARD A. MANDA.
